III. Purpose of website(s)

IV. Responsibilities Statement

All use of IUS Computer Services (IUSCS) computing resources is to be for purposes related to the University's mission of education, research, and public services. Access to IUSCS computing resources is a privilege granted to University faculty, staff, and students in support of their studies, instruction, duties as employees, official business with the University, and other University-sanctioned activities. IUSCS computing resources should be used in accordance with the high ethical standards of the University community. Examples of unethical use include the incitement to illegal activity, violations of computer system security, unauthorized use of computer accounts, access codes, or network identification numbers assigned to others, academic dishonesty (plagiarism, cheating), violation of network usage policies and regulations, use of obscene or abusive language on web sites and public bulletin boards, and the violation of other users' privacy.

Violations of the guidelines described above will be dealt with seriously. Violators will be subject to disciplinary procedures of the University, and the loss of computing privileges may result. Illegal acts involving IUSCS computing resources may also be subject to prosecution by state and federal authorities.

V. Signature(s)

I (We) certify that this web folder will only be used for the purpose stated above, and that I (we) will abide by the Responsibilities Statement.
